Dear Col. Knight:

On behalf of the Fort Lauderdale Police Department, I want to extend a heartfelt thank you for the overwhelming support and sacrifice given by your troopers during the aftermath of Hurricane Wilma.

I know you must take pride in the professionalism and selflessness of each officer within your organization. Throughout the demanding recovery efforts, I was inspired to witness a formidable kinship grow among our departments.

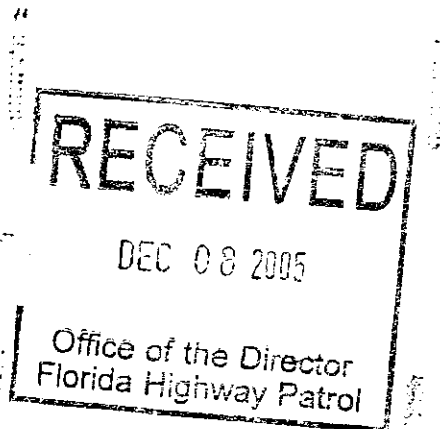

I would be remiss not to mention our citizens and the bearing your troopers had on their lives during this difficult time. The impact your organization left behind will continue to be felt among our communities long after the effects of Hurricane Wilma have passed. Our citizens continue to speak of the kindness and professionalism displayed by all who were involved in helping.

Please extend my sincerest gratitude to your staff on behalf of our Department and citizens, and pass along these cards to each one as a personal "thank you."

Sincerely

Bruce G. Roberts
Chief of Police
